

Midland Metro

2

The Wednesbury to Brierley Hill Scheme

2.1

Introduction

This section of the ES sets out the objectives of the scheme and also describes:

- the main features of light rail transit (LRT) schemes;
- the potential benefits of LRT schemes like Midland Metro;
- the proposed route and design of the Wednesbury to Brierley Hill scheme;
- the way in which the scheme will be constructed and operated; and
- the main alternatives that have been considered.
