Dear Richard

Application No: P09/0505/C1
Deemed planning permission for development under Section 90 (2A) of the Town & Country Planning Act 1990 for the Midland Metro (Wednesbury- Brierley Hill and miscellaneous amendments) Order
Birmingham Street and Porterfield Street, Dudley

Following the issuing of the above Order by the Secretary of State on the 22nd March 2005 (Statutory Instrument 2005 no. 927) directing that planning permission be deemed to be granted for the above development under section 90 (2A) of the Town & Country Planning Act 1990, this permission was subject to a time limited permission requiring the commencement of development before the expiration of 5 years from the date that the Order came into force, i.e. by the 22nd March 2010. We can confirm that the Local Planning Authority is satisfied that a material operation has occurred with the commencement of development of the tram stop/station at Birmingham Street and Porterfield, Dudley, on the 12th August 2009 thereby discharging the time limited condition.

I can confirm that we have copied this email and the photographs taken prior and after the commencement of the development to Sandwell MBC.

I trust that the above clarifies matters but should you require any further help with this matter then please do not hesitate to contact me on the telephone number given above or by email on caroline.reeve@dudley.gov.uk.

Yours sincerely

Caroline Reeve
