Dear Ian,

Midland Metro- Wednesbury to Brierley Hill Extension
Code of Construction Practice Part 1

Thank you for forwarding the above document under email dated 22 September 2005.

On behalf of Sandwell MBC I wish to confirm acceptance of the document and confirm the associated discharge of the condition contained within the Agreement between the Local Authority and Centro.

Sandwell MBC look forward to working with Centro and its future Concessionaire in the development of the more detailed and site specific Part 2 of the Code and more generally in the successful development and implementation of the extension.

Yours sincerely,

for **Robert A. Lee**
Director of Planning & Transportation
